Dear Ms. Jennette,

Thank you for your generous gift to the College of Business. Your personal commitment helps to ensure that we offer the finest possible services and educational programming. Today, there are many challenges for a public university in the State of Michigan, and we sincerely hope you will continue to partner with us in our efforts to develop, and provide innovative teaching and learning for today's students.

You are an important stakeholder in the future of the College, and I invite you to take an active interest in what we are doing, and our plans for the future. We welcome your questions, your insight, and your guidance.

As Dean, I want you to know how very grateful we are for the confidence you have in us, and for your loyal support.

Very truly yours,

David M. Nicol, Ph.D.
